

**MASTER COMPOSTER/RECYCLER
VOLUNTEER APPLICATION
Clark County, Washington
2006**

Master composter/recyclers are the volunteer backbone of the Clark County home composting/recycling program. Master composters teach people the basics of home composting and recycling and inspire Clark County residents to recycle their yard, kitchen waste and recyclables at home, work and school through composting/recycling information booths and workshops. Classes meet on Tuesday evenings 6:30 pm-9:00 pm for twelve weeks plus one Saturday field trip.

The Master composter program provides 45 hours of training in exchange for a commitment to volunteer an equal number of hours over the next year
